

Geary Pacific Supply

HVAC PARTS • SUPPLIES • EQUIPMENT

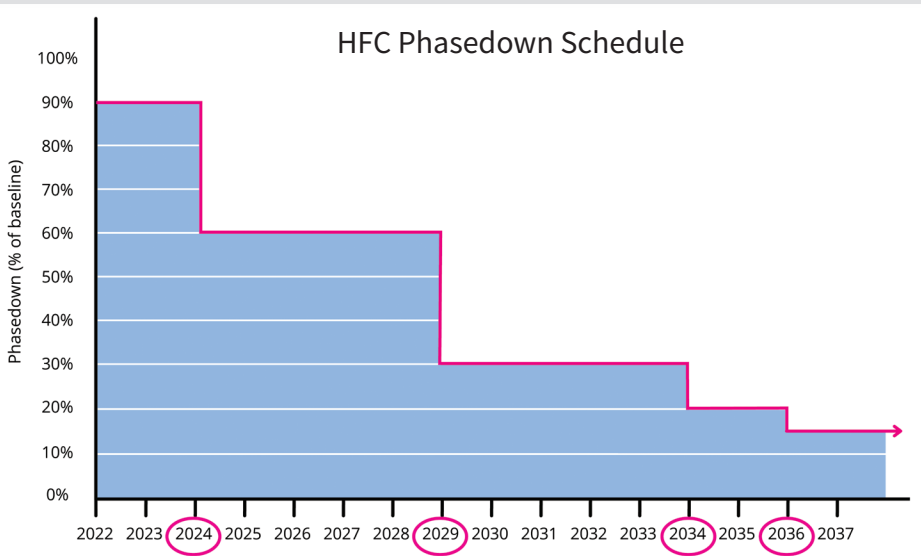

Turn in your reclaim tanks at **NO CHARGE** and earn store credit at Geary Pacific Supply.

With the AIM Act and HFC Reduction, R410a reclaim is vital to ensure we have a continuous supply of refrigerant.

Refrigerant Recycling Program

The following criteria must be met for tank exchange:
R410a MUST be stored in a 400psi tank

Cylinder Size	Minimum Weight (Tank + Refrigerant)	MAX Total Weight
30 Lb.	Tare Weight (TW) Plus 5 lbs of Refrigerant	40-43 lbs
50 Lb.	Tare Weight (TW) Plus 12 lbs of Refrigerant	65-71 lbs
125 Lb.	Tare Weight (TW) Plus 40 lbs of Refrigerant	Tare Weight Plus 100 lbs of Refrigerant (DOT Regulation)

*Refrigerants Accepted: R11, R12, R22, R113, R114, R123, R134a, R404A, R407C, R401A, R500, R502, R507
 Refrigerant Credit (based on purity and weight) for: R22, R134a, R407C, R410A, R507
